[] *salt* LIAISON Received a call from Stan Taylor, Senate Select Committee on Intelligence staff, who said Senator Jake Garn (R., Utah), in preparation for a planned trip to Geneva, would like a briefing from [] NFAC, on the SALT talks. This was set up for 25 January at 8:00 at Headquarters. Later, however, Taylor called back to say because of health problems, Senator Garn had cancelled his trip to Geneva and the briefing. Taylor also asked me about [] a constituent of Senator Garn's, who had been rejected for employment with the Agency. [] is embittered by his rejection and is apparently discussing a suit against the Agency. In this connection, [] has asked for another letter stating the reasons for his past rejection. 25X1

We discussed his requirements and set the briefing for 26 January at 1:00 p.m. I also discussed with him Tom Latimer's, Staff Director of the Committee, request of 17 January for two memoranda from FBI officer William Sullivan to former Director Richard Helms.
